

Life is better when you surf.

The [7S Hook](#) merges old and new surfboard design characteristics to offer a fast, yet fully functioning hybrid twin fin surfboard that will unlock a whole new approach to your surfing.

Built in [Innegra Matrix](#) construction the Hook is not just a small wave board, it can be surfed confidently in overhead waves and is available in sizes: 5'6 - 6'4. Find all the specs [here](#).
